

Help Your Child's School Raise Funds!

with the Cash for Caps program from Prairie Farms - Dubuque Division

Dear Parents,

You can help your school raise much needed cash! Simply save plastic Prairie Farms milk jug caps and bring them to your school. The school will collect them throughout the school year and send them to Prairie Farms - Dubuque Division for payment. Payments will be sent after the 1,000 cap minimum is received.

Through its Cash for Caps program, Prairie Farms is donating 5 cents per cap collected to each participating school. The more caps the school turns in, the more money the school receives. The cash can be used in any way the school chooses.

The redeemable caps can be found on gallons and half gallons of Prairie Farms brand white milk. Ask for these products at your local retailer.

We hope you'll get as many neighbors, church members, social clubs and family members involved as possible. Start collecting today!
